

Access to Battelle Grand is from Third Street only. Third Street is one direction south bound, so plan your route carefully – 670 east bound is the best access as you’ll be able to stay in the right-hand lane to turn into the ramp to the convention center. 670 west bound will be tricky to get across three lanes of traffic to get to the right lane and the ramp.

IF YOU MISS THE RAMP! You’ll need to:

- Make the next right onto Chestnut Street
- turn right onto High Street
- travel north several blocks until you get to Warren Street (you’ll see E Lincoln St then Bollinger Pl then Warren St.). Turn right onto Warren St
- go three blocks to get you back to Third St. (also known as Summit St.)
- turn right onto Third Street and stay in the right-hand lane for the ramp to the convention center.
